

## Owner/Builder Gas Submittal Guide

**(Application Package submitted in office)**

### REQUIRED **FORMS:**

- Permit Application (Commercial or Residential)
- Property Appraiser's printout with legal description
- Power of Attorney or Signature Acknowledgment Form
- Recorded and Certified Notice of Commencement (required if the value of work is over \$2,500.00) – submitted to the Building Division prior to scheduling of first inspection.
- This may be emailed to [bpcustomerservice@seminolecountyfl.gov](mailto:bpcustomerservice@seminolecountyfl.gov), faxed to **407-665-7486** or submitted in person

### PLANS:

- Gas Plan Worksheet – if applying for the gas portion on this application request
- Site plan showing location of proposed gas line – as applicable

### NOTE: A separate above ground or underground fuel tank permit will be required if:

- Single LP tank of 125 gallons or greater
- Multiple LP tanks aggregate capacity of 125 gallons or greater
- Stationary above ground tanks with a capacity greater than 550 gallons and underground storage tanks with a capacity of 110 gallons will require a permit and be regulated by FDEP.
- The storage, handling, and use of flammable and combustible liquids shall be permitted by Fire regardless of size. This includes but is not limited to gasoline, kerosene, diesel, etc.

***This is only a guide and may not be all-inclusive for your particular project.***
